How To Use Health Pass:

Download the free CLEAR app.

Select "Have a Code?" & enter yours for the day of your event.

**Enroll using a government-issued ID or log in with a quick selfie.**

HOW IT WORKS
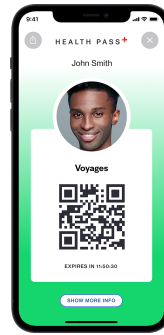

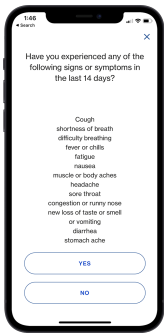

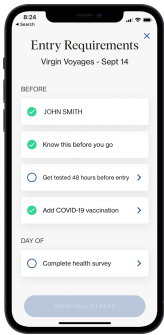

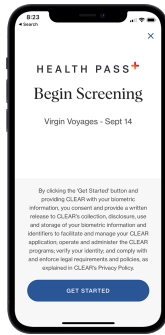

Follow prompts on the "Entry Requirements" screen to verify your proof of vaccination and link your negative COVID-19 test from an approved provider.

On the day of the event, re-open the CLEAR app, tap the white Health Pass tile, and take a quick selfie to unlock and complete your health survey.

Show your Health Pass upon arrival at the event!
